The Superintendent or designee shall ensure that persons employed to fill positions requiring certification qualifications possess the appropriate credential, permit, or other certification document from the Commission on Teacher Credentialing (CTC) and fulfill any additional state, federal, or district requirements for the position.

*(cf. 4131.1 - Teacher Support and Guidance)*

### **Priorities for Hiring Based on Unavailability of Credentialed Teacher**

The Superintendent or designee shall make reasonable efforts to recruit a fully prepared teacher who is authorized in the subject or setting for each assignment or, when necessary, a fully prepared teacher serving on a local assignment option. Whenever a teacher with a clear or preliminary credential is not available, the Superintendent or designee shall make reasonable efforts to recruit an individual for the assignment in the following order: (Education Code 44225.7)

**CERTIFICATION** (continued)

1. A candidate who enrolls in an approved intern program in the region of the district and possesses an intern credential
2. A candidate who is scheduled to complete preliminary credential requirements within six months and who is granted a provisional internship permit (PIP) or short-term staff permit issued by the CTC

The Board shall approve, as an action item at an open Board meeting, a notice of its intent to employ a PIP applicant for a specific position. (5 CCR 80021.1)

3. An individual who has been granted a credential waiver by the CTC

Prior to requesting that the CTC issue an emergency permit, the Board shall annually approve a Declaration of Need for Fully Qualified Educators. The Declaration of Need shall be approved by the Board as an action item at a regularly scheduled open Board meeting, with the entire Declaration of Need being included in the Board agenda. (Education Code 44225, 44225.7; 5 CCR 80023.2, 80026, 80027, 80027.1)

The Declaration of Need shall certify that there is an insufficient number of certificated persons who meet the district's specified employment criteria for the position(s) and that the district has made reasonable efforts to recruit individuals who meet the qualifications specified in items #1-2 above. The Declaration of Need shall also indicate the number and type of emergency permits that the district estimates it will need during the valid period of the Declaration of Need, based on the previous year's actual needs and projections of enrollment. Whenever the actual number of permits needed exceeds the estimate by 10 percent, the Board shall revise and resubmit the Declaration of Need. (5 CCR 80026)

Whenever it is necessary to employ non-credentialed teachers to fill a position requiring certification qualifications, the Superintendent or designee shall provide support and guidance in accordance with law to ensure the quality of the instructional program.

**CERTIFICATION** (continued)**National Board for Professional Teaching Standards Certification**

The Superintendent or designee shall promote a career continuum that includes participation of district teachers in professional learning that supports their completion of advanced certification awarded by the National Board for Professional Teaching Standards (NBPTS). The Superintendent or designee may coordinate a cohort of teachers through school or district programs or other available networks.

With Board approval and funding, and consistent with the collective bargaining agreement and applicable law, the Superintendent may provide an incentive program for teacher participation in NBPTS certification, which may include:

1. Defraying, subsidizing, or reimbursing the registration, certification, or maintenance fees for NBPTS certification
