SECTION 2 – Work Hours, Compensation and Changes

- 2.1 Work hours for bargaining unit members shall be established by the District and the immediate administrative supervisor according to District need.

- 2.3 The District retains the right to extend the regular work day or work week when it is deemed necessary to carry out the District's business. When a permanent change is proposed, the District shall notify and meet with the Federation in advance of any such change.

SECTION 3 - Emergencies

 - b. Call by a supervising management employee, or by an authorized security patrol, including police or sheriff
 - c. No other appropriate employee available to attend to the emergency.

ARTICLE V – HEALTH AND WELFARE

Section 1- Coverage

- 1.1 The District agrees to provide eligible unit members, for the duration of this agreement, with full premium cost for Health Maintenance Organization (HMO) group health benefits at the highest CalPERS premium rate, prorated for part-time unit members, for single, two party or family coverage as applicable.
 - 1.1.1 The district reserves the right to immediately meet and confer regarding changes to health coverage for active and/or retired members should cost of such premiums significantly increase. If this should occur the district and the union will need to consider and implement alternatives including but not limited to a modification of current provisions, a possible CAP on premiums paid by the district, Consumer Driven Insurance, alternative medical plans and other options. Nothing in this subsection will be construed to supersede Article XVI.
- 1.2 The District agrees to provide eligible unit members with full premium cost for district-provided group dental benefits, prorated for part-time unit members, for single, two party or family coverage as applicable. The plan will provide a yearly \$2,000 maximum reimbursement for covered dental expenses.
- 1.3 The District agrees to provide eligible unit members with full premium cost for district-provided group vision benefits, prorated for part-time unit members, for single, two party or family coverage as applicable.
- 1.4 The District will provide health care coverage through CalPERS. The Union agrees that the District may discontinue coverage through CalPERS during the term of the contract with the concurrence of the Union.
- 1.5 CalPERS benefits will be provided through a cafeteria fund. The fund shall provide eligible employees with sufficient amounts of single, two-party, or family premiums to enable the employee to select any one of the CalPERS HMO health plans. The fund amounts will be set at the highest CalPERS HMO premium for the coverage selected, plus the vision premium, plus the dental premium, for single, two-party, or family coverage as applicable and prorated for part-time unit members.
 - 1.5.1 The cafeteria fund will be sufficient to provide each active employee with health, dental and vision coverage with premiums paid through the district-provided cafeteria fund. The employee may select a health plan from any of the HMO or PPO plans included in the San Mateo County list of CalPERS providers.
 - 1.5.2 If the premiums for health, dental and vision plans chosen by the employee exceed the cafeteria fund amount allocated for qualifying coverage, the employee authorizes the District to deduct the additional premium amount from the employee's monthly pay warrant.

- 1.6 If the employee can provide proof of health coverage through a spouse or eligible domestic partner, the employee may decline the District provided health coverage and participate in the Cash Back Option Program. The Cash Back program as delineated in the following subsections is guaranteed for the duration of this contract or for a three year period, whichever is greater.
 - 1.6.1 Program Benefit Amount - For employees participating in the Cash Back Option Program, the employee will receive cash back equal to fifty percent of the highest single active health benefit premium amount. This shall be allocated to the employee on a monthly basis, prorated for part-time unit members. For employees participating in the Cash Back Option Program, the cafeteria fund defined in Section 1.5 of this Article shall be reduced by the amount of the highest two-party or family HMO premium, as applicable.
 - 1.6.2 Cash Back Option dollars may be utilized by the employee as pre-tax dollars to participate in the Section 125 Pre-Tax Benefit Plan, or
 - 1.6.3 The Cash Back Option may be paid to the employee directly. In this circumstance, the Cash Back payment received shall be considered as taxable income. Both the District and the employee would be liable for applicable taxes as with any other salary disbursement.
- 1.7 If the employee can provide proof of dental coverage through a spouse or eligible domestic partner, the employee may decline dental coverage and receive cash back equal to fifty percent of the current dental premium provided for active employees, prorated for part-time unit members. The cash back payment may be utilized by the employee as pre-tax dollars to participate in the Section 125 Pre-Tax Benefit Plan or may be paid to the employee directly as taxable income. For employees choosing this option, the cafeteria fund amount defined in Section 1.5 of this Article shall be reduced by the amount of the full dental premium.
- 1.8 An employee who declines health coverage may participate in the Cash Back Option Program defined in Section 1.6 of this Article. If an employee in this circumstance desires to maintain district-paid dental coverage and/or vision coverage, the District will continue to pay the cost of either or both premium(s) while still providing the employee with fifty percent of the highest single active health premium and fifty percent of the health premium cash benefit as a cash back payment, prorated for part-time unit members.
 - 1.8.1 If employee's spouse is also an employee of the District, one of the two employees must enroll for full two-party or family health, dental and vision coverage through CalPERS and the District's dental and vision service provider.
- 1.9 Any unexpended cash back funds will be retained by the District. Funds will first be used to reduce district encumbrance for health benefits.

Section 2 - Eligibility

- 2.1 Health and Dental Benefits - Full-time probationary and permanent bargaining unit members shall be considered as eligible to receive the full District health and dental benefit program. Bargaining unit employees employed for less than full time (that is, less than 37-1/2 hours per week and/or less than twelve months per year) shall be eligible to receive health and dental benefits with the District contribution prorated in proportion to the percentage of full-time assignment worked by the unit members. However, transportation employees regularly employed for twenty hours or more per week shall be eligible to receive full District-paid health and dental benefits.
- 2.2 Vision Care Benefits - All bargaining unit members shall be considered as eligible to receive full District-provided vision care benefits, pro-rated for part-time employees.
- 2.3 Part-time unit members who elect to participate in health and dental benefits program shall authorize the District to deduct the amount in excess of the part-time employee's prorated District-paid share of premiums from the employee's paycheck in order that said employee's full premium may be met. Part-time members who elect to participate in the benefits under this provision shall continue their participation for the duration of their part-time employment with the District.
- 2.4 Part-time unit members not electing to participate in the benefits under this section shall not be eligible again to participate in dental insurance until one calendar year has elapsed from date of refusal. Part-time unit members not electing to participate in the benefits under this section may elect to join a health insurance plan at the next annual open enrollment period established by the District following date of refusal.
- 2.5 Initial Eligibility for Coverage - Unit members shall become eligible for health and dental benefits the first day of the first month following a full month of employment. Coverage shall terminate on the last day of the month in which the employee is terminated.
- 2.6 Domestic Partner Eligibility – Unit members and their domestic partners meeting the criteria in Section 2 above shall be eligible for coverage provided in this section, when allowable under plan rules.
 - 2.6.1 Unit member and partner are not able to be legally married.
 - 2.6.2 Unit member and partner are not related by blood or marriage.
 - 2.6.3 Neither unit member nor partner are married to another person.
 - 2.6.4 Both partners are at least 18 years of age.
 - 2.6.5 Both partners have signed under penalty of perjury a declaration of domestic partnership.
 - 2.6.6 Both partners have signed an affidavit declaring they share a common residence.
 - 2.6.7 Both partners have signed an affidavit declaring they share responsibility for basic living expenses incurred during the domestic partnership.

Section 3 - Long Term Disability

The District shall provide unit members who work twenty-five hours per week with long-term disability insurance.

Section 4 - Life Insurance

The District shall provide unit members who work twenty hours per week and who have permanent status with District-paid group life insurance in the face amount of \$15,000, plus an equal amount of accidental death and dismemberment insurance. The District shall also provide unit members who work seven and one half hours per day and who have permanent status with the District-paid group life insurance in the face amount of \$50,000, plus an equal amount of accidental death and dismemberment insurance.

Section 5 - Health Insurance Retirees

5.1 Coverage

Through CalPERS the District agrees to provide eligible unit members upon retirement at age sixty-five (65) or upon reaching age sixty-five with eligibility to participate in CalPERS benefits program with health insurance coverage at CalPERS Medicare Supplement related rates. Said retirees will receive the District paid minimum benefit provided for health insurance for all employees active and retired. A retiree whose eligibility status qualifies him or her for District paid lifetime retiree benefits shall receive the total District paid health premium identified for retirees minus the CalPERS minimum benefit. This identified premium shall be received as a taxable benefit herein termed a "service credit." Eligible retirees who retire between the ages of 55 and 65 will be eligible to remain on the District paid group health insurance plans and participate in CalPERS at the active employee rates until they reach age sixty-five. The maximum amount paid by the District for retirees age 55 to 65 will be the highest of the single, active HMO plans for San Mateo County.

5.1.1 Eligibility is determined by CalPERS to be five years of fully paid contributions as a member of STRS or PERS. All retirees past or present who meet this minimum eligibility qualification and have retired or subsequently will retire from Sequoia District shall be eligible to participate in the District's CalPERS benefit program.

5.1.1.1 For unit members employed on or after April 1, 1998, and who retire and are eligible, the District will reimburse, during the term of this agreement, the cost of the annual premium up to the highest single active HMO premium minus the CalPERS minimum benefit until he/she reaches sixty-five. Beyond age 65, employees in this category will remain eligible to participate in Sequoia district's CalPERS medical coverage, however, the cost of the premium in excess of the CalPERS minimum will be borne by the employee. The District will continue to pay only the Medicare B premiums beginning at age 65.

5.1.2 For unit members employed prior to April 1, 1998, and who are eligible, the district will provide a taxable service credit. The District will reimburse, during the

term of this agreement, the cost of the annual premium up to the highest single active HMO premium minus the CalPERS minimum benefits. This reimbursement will be received by the retiree as a taxable service credit. The **District will reimburse the same premiums for the eligible retiree's spouse/domestic partner until the spouse/domestic partner reaches age sixty-five.**

5.1.2.1 The identified retiree service credit premium shall be established at the average of the single active premium rates for HMO coverage available in San Mateo County.

5.1.3 For the duration of this agreement, retirees who move outside of the CalPERS provider service area shall receive reimbursement for individually purchased insurance coverage up to the amount of the highest of the single active premium for HMO coverage available in San Mateo County. Outside of the CalPERS provider service area means there is no CalPERS provider within a 30 mile radius.

5.2 Retiree Eligibility

5.2.1 Bargaining unit members must be at least fifty-five years of age. In addition, bargaining unit members must have contributed to PERS or STRS for a minimum of five years.

5.2.2 The spouse of eligible retired unit members shall continue to be covered with health insurance until the spouse has reached age sixty-five. After age sixty-five eligible retired unit members may retain health insurance coverage for the retiree's spouse until the spouse reaches 65, provided the retiree remits to the District the full cost of the spouse's participation in the health insurance program.

5.2.3 In order to receive district-paid benefits, unit members must have served in the district for sixteen years immediately prior to retirement. For each additional year of age beyond age 55, the length of service may be reduced by two years but to no less than 10 years of service. Members who meet this eligibility requirement qualify to receive the taxable service credit.

5.2.4 The retiree must be actually drawing retirement benefits from either the State Teachers Retirement System or the Public Employees Retirement System.

5.2.5 The retiree must have been eligible for and covered by health insurance while an active employee. The district's contribution to the health insurance premium for the retiree shall be prorated in the manner provided for active retirees in Section 1.2 of this Article.

5.2.6 "Years" as used in this section shall be defined as years of service credit as calculated by the Public Employees' Retirement System (PERS), i.e., ten months for full-time (7-1/2 hour) employees or 1720 hours for hourly (less than full time) employees. It is understood that PERS credits a full year of service credit to employees participating in the Reduced Workload Program.

Section 6 - Flexible Spending Plan

The District will offer a flexible spending, dependent care excess medical cost reimbursement account plan under Section 125 of the Internal Revenue Code (IRC). A Flexible Spending Account (FSA) allows unit members to designate a certain amount of taxable income on a pre-tax basis to pay out of pocket medical and dependent care expenses.

Section 7 - State Disability Insurance

During the term of this Agreement, the District will provide payroll deductions from the employees paycheck for SDI premiums and integrate State Disability Insurance benefits with employees' existing sick leave, with vacation and with other benefits that currently apply in case of employee absence.

ARTICLE VI - LEAVES

SECTION 1 - Sick Leave

- 1.1 Members of the bargaining unit employed by the District five (5) days per week with full pay for a fiscal year shall be entitled to twelve (12) days' paid leave of absence for illness or injury, exclusive of days they are not required to render service. "Day," as used in this Article, means the employee's regularly assigned work day, exclusive of overtime.
- 1.2 Members of the bargaining unit employed less than five (5) days a week and/or less than a full fiscal year are entitled to that proportion of twelve (12) days' paid leave of absence for illness or injury as the number of months and/or number of days a week they are employed bear to twelve (12) months, and/or five (5) days per week.
- 1.3 Members of the bargaining unit employed on or before the fifteenth of the month shall accrue sick leave from the beginning of the month.
- 1.4 If a member of the bargaining unit does not take the full amount of sick leave allowed in any year, the amount not taken shall be accumulated from year to year.
- 1.5 The District agrees to provide each bargaining unit member an annual statement of all accumulated sick leave.
- 1.6 If a bargaining unit member is absent on paid sick leave and a holiday occurs during such absence, he/she shall receive the holiday pay, and the day shall not be charged against his/her accrued sick leave.
- 1.7 Members of the bargaining unit must follow procedures established by their immediate supervisor to notify their department of an impending absence, the nature of the illness or injury, and the anticipated duration of the illness. Said notification must be made not later than fifteen (15) minutes before the start of the work shift in order to be eligible for paid illness or injury leave.
- 1.8 Members of the bargaining unit requesting paid illness or injury leave who have established a pattern of absences may be required, at the discretion of their immediate supervisor, to present to the supervisor a medical doctor's written statement verifying the personal injury or illness. The verification shall be on forms supplied by the District, with any medical cost of completing the form to be borne by the employee. However, the District will bear the medical cost of completing the form if he/she is not eligible for the health benefits provided by this Agreement.
- 1.9 Members of the bargaining unit absent due to surgery, serious injury or illness, or absent for more than five consecutive work days, shall be required to submit a medical release to their immediate supervisor prior to being permitted to return to work.

- 1.10 Leave pursuant to this section is to be used only for illness or injury, except as provided in Section 4 of this Article. Use of leave pursuant to this section for any other purpose shall be grounds for denial of paid leave.
- 1.11 Members of the bargaining unit absent due to surgery, injury or illness will not be required to return from sick leave until released by medical authority. Bargaining unit members who have exhausted all leaves, including vacation, and have not been released by medical authority to return to work shall be subject to the "expiration of all leaves" provisions of Education Code Section 45195.
- 1.12 A unit member who is unable to schedule medical or dental appointments at time other than during work hours shall be permitted to be absent from work up to one (1) hour without charging the absence to sick leave. All absences for medical or dental appointments in excess of one hour shall be charged to sick leave. In the event absences for medical and dental appointments are frequent in number, the absence, regardless of time, shall be charged to sick leave. "Frequent" as used in this subsection means more than one such appointment in any one- (1) month or more than four (4) such appointments in any fiscal year.
- 1.13 The District will follow applicable law as it relates to exempt employees.

SECTION 2 - Industrial Accident and Illness Leave

- 2.1 In addition to any other benefits that a unit member may be entitled to under the Workers' Compensation laws of this state, unit members shall be entitled to a leave of up to sixty (60) working days in any one (1) fiscal year for each accident or illness. This leave shall not be accumulated from year to year, and when any leave will overlap a fiscal year, the unit member shall be entitled for the same illness or injury to only that amount remaining at the end of the fiscal year in which the injury or illness occurred.
- 2.2 Industrial accident or illness leave will commence on the first day of absence provided the unit member submits a doctor's first report of work injury to the Human Resources Office.
- 2.3 Payment for wages lost on any day shall not, when added to an award granted the employee under the Worker's Compensation laws of this state, exceed the normal wage for the day.
- 2.4 Industrial accident and illness leave will be reduced by one (1) day for each day of authorized absence, regardless of a compensation award made under Workers' Compensation.
- 2.5 Industrial accident or illness leave is to be used prior to using normal sick leave benefits. When entitlement to industrial accident or illness leave under this Section has been exhausted, entitlement to other sick leave, vacation, or other paid leave will then be used. If, however, an employee is receiving temporary disability payments under the Workers' Compensation laws of this state at the time of the exhaustion of benefits under this Section, he/she shall be entitled to use only so much of his/her
